

Selection Process

The Student Curriculum Committee comprises approximately 25 students:

- 4 first-year students
- 7 second-year students
- 7 third-year students
- 7 fourth-year students

First- and second-year representatives to the Student Curriculum Committee are selected by their classmates during class officer elections. Third- and fourth-year representatives must apply for SCC positions and are selected by the outgoing chairs in consultation with relevant faculty and administrators. Term of service is one academic year.

Two chair positions will be selected by the outgoing chairs based on applications and in consultation with faculty and administrators. Those 4th year students already selected to the SCC as well as students in their 4th year who will graduate with an MD/MEd are eligible to apply. The chairs serve as liaisons to the Undergraduate Medical Education Committee.
